

BBVCA June 1, 2017 to May 31, 2019 Renewal, Associate and New Membership

Hello Folks,

The Big Bear Valley Contractors Association is currently renewing our memberships in preparation of the new brochure that is to come out soon. If you wish to be in the new brochure we will need your current information and renewal fees in by our next meeting, March 6, 2017. In an effort to keep our rates low we have decided to discontinue the issuance of tee shirts instead of raising the membership fees. There are two open positions on the board of directors. Be known by the City and County Officials as one of the good guys. We are also looking for a great vertical, high resolution picture for the cover of the new brochure. Thank You, James Smith; President
